7 April 1952

Dear Dr. Williams:

Thank you very much for your letter of April 3. I expect it has been rather confusing for you, with our many addresses. The fact is that our office is at 1 Madison Avenue, and the Hall of Fame is actually on the uptown campus of the University, at University Heights.

The formal invitations for the ceremony will be mailed about the 18th of this month, and when you receive your invitation, you will have a clearer picture of the ceremony. Also, if you will be good enough to advise us when you expect to arrive in New York, we shall make transportation available to you, to and from the University.

Cordially yours,

Bertha L. Lyons (Mrs. N.)
